

DiSC[®] Sales Strategies

Increasing Sales through Adaptability

Gain the competitive advantage of DiSC[®] and improve the effectiveness of every member of your sales team. *DiSC Sales Strategies* helps both new and experienced sales people

- focus on customer needs
- enhance customer relationships
- develop competencies in a variety of selling situations
- reduce direct sales costs
- develop long-term relationships for repeat sales

Increase Sales Performance and Profitability

DiSC Sales Strategies can be used as a stand-alone program or as an addition to your current sales training to help sales professionals

- learn to position themselves and their products and services with the client's needs in mind
- understand how different styles influence buying and selling
- more effectively utilize their time and their customer's time
- create and maintain relationship-based sales

Flexible Format Adapts to Meet Your Needs

This six-module workshop can be facilitated in either two consecutive days or in one day with additional sessions scheduled over a period of time.

- Module 1: Increasing Sales through Adaptability
- Module 2: The Influence of Styles on Selling and Buying
- Module 3: Identifying Your Customer's Style
- Module 4: *DiSC*[®] Sales Strategies for Adapting to Your Customer
- Module 5: Practicing Adaptability: One-on-One Selling
- Module 6: Practicing Adaptability: Letters and Group Selling

Comprehensive Sales Training in One Easy-to-Use Program

The *DiSC Sales Strategies* program materials include
